Mike – Good comments and suggested edits. The briefing is at 9:30, so I won't have time to get them an updated document with your edits, but I will verbally touch some of your points and if we finalize this memo I will include.

Mike and John – FYI – My management asked me to prepare a memo, see attached, on the process and enforcement options regarding the Gold King Mine Release interim treatment system. I and others are briefing Region 8 managers, including the RA, tomorrow. Also, I understand there will be some folks from the HQ technical side in on the meeting. Let me know if you have any questions.
